

PAIN & PERCEPTION:

Reducing nerve injury risks

Unsure how to handle patients who are experiencing prolonged numbness following dental procedures? The Dentists Insurance Company's new Risk Management seminar is designed to build your confidence in these interactions.

Participate in the Pain & Perception seminar and learn how to:

- Institute communication protocols when multiple dentists are involved in treatment.
- Recognize the importance of complete and appropriate documentation.
- Communicate unexpected treatment outcomes to patients and know when to refer.
- Understand that informed consent is a process, not a form.
